Battle of the Books 2016 - 2017
Individual Permission Slip for Tomahawk School District

Parents,

Your student is volunteering to join into the Tomahawk School District Battle of the Books competition. Your student will be expected to:

● work in a group of 4 students (students form groups) respectfully.
● as a group divide the list of 20 pre-selected books to read and study. Students will need to be able to recognize the title, author, and primary characters from "clues" about the book. Note spelling counts!
● all books must be read by February 10, 2017.
● a district competition will be:
  ○ February 14, 2017 for Elementary School
  ○ February 15, 2017 for Middle School

I have reviewed the "Battle of the Books Guidelines" with my student and, by our signatures below, permission is granted for his/her participation and the student agrees to the Guidelines for the Battle of the Books.

Please return this form to the BOB Team Captain.
