Using a database from home?

Log-in to your myhatchets account and go to Haiku!
1. Select the pullout tab “My Classes”.
2. Select the page “Library Learning Commons”.
3. Look to the left side menu and select “Database Log-in Information”.
4. Select desired paid database for username and password for home access.

Note: At school, the paid databases do NOT require you to log-in.
